President Message

18.08.2023

Dear Esteemed Members,

It is my privilege and pleasure to extend to you all a warm and hearty welcome to the 15th Annual General Body (AGM) meeting of FRNV. This year is significant as our organization has completed 15 glorious years since 9 th June 2008.

It is with some satisfaction with which I say that our organization is gaining strength with more members. Chennai, Hisar and Karnataka Chapters have come up. Chennai Chapter has people with shared values. More such chapters are planned.

The bi-monthly print journal (Value Insight) has started from June 2022 and successfully completed one year. About 250 copies are getting printed on each issue and circulated to Life Members, Regional Chapters and educational institutions. Annual subscription is Rs.1,000/- only and I request all to subscribe to the Journal and spread the journal in your areas.

During the year, your organization has created new membership Associate Membership for academicians (principals/professors/teachers/students), to whom the membership fee has been reduced 50% in annual membership and 25% in life membership.

During the year, 2 schools workshops (one at Balvantray Mehta Vidya Bhawan, Greater Kailash and M L Khanna DAV Public School, Dwarka, both at New Delhi), one youth training workshop at Rishidwar, Uttrakhand and one corporate workshop were organized. More than 100 teachers participated. Recently in July 2023, ½ day virtual workshop on Universal Human Values was organized jointly with IIT-Delhi professionals. Another school workshop in August 2023 was organized at Kamal Model Sr. Secondary School, Mohan Garden where about 100 teachers participated. With the active involvement of Regional Chapters, more such workshops could be conducted.

I would now recommend various resolutions, audited reports and General Secretary's annual report that will be tabled in the AGM for your consideration and acceptance.

Thanking you all,

Yours sincerely,

S Regunathan
President/FRNV

Our National Values

The solution to the value crisis lies in the inspiration provided by the three stable pillars on which independent India has vouched to rest firmly:

- 1. National Motto; 'Satyameva Jayate';** signifying that 'truth shall prevail', which we chose for ourselves, in the wake of independence.
- 2. National Flag;** that proclaims ceaselessly the message of inner sacrifice, inmost purity, preservation of natural abundance, and vitality of the Earth.
- 3. Fundamental Duties in the Constitution;** enjoining each one of us to value and uphold the composite culture of our country, and to be inspired by the great ideals that led our national struggle for independence. Together, these make an exquisite triangle encompassing all our National values, and FRNV draws its inspiration from this ocean of strength. Our National Values consist of discipline, restraint, and the ideal to stimulate the consciousness of all, to achieve:
 - *Eradication of inner constrictions born out of selfishness and greed;*
 - *Imbuement of a warm fondness for society and concern for the collective good; and*
 - *Building of sufficient inner strength and character, in the individual, family and society as a whole.*

Our Strategy

- I. Influencing the influencers.
- II. As the crisis has its roots in the mind and intelligence, aim at stimulating change at a germinal level.
- III. Not a grassroots level movement.

Program of Universal Human Values (UHV)

All great people of the world have tried to realise the truth (सत्य) and to live by it in terms of love (प्रेम) and compassion (कृपा). They have tried to:

1. Understand themselves (human being, वयं, मानव)
2. Understand the underlying harmony in nature/existence (कृत/अस्ति/व) They have tried to understand the role of the human being in nature, in existence, to live by it and to make effort for the well being of all (सर्ववशुभ) For all such great people and for the tradition (परंपरा) we have a deep feeling of gratitude (कृतज्ञता)...

This effort on Universal Human Values (साववभौतमक मानवीय मूल्य) is in continuation with that tradition of self-enquiry (वयंम! खोज), for the wellbeing of all...

Drawing upon universal essence, it is put forth as proposals for self-exploration on one's own right...

UHV has been experimented in the last 40+ years or so with people from all walks of life (children, families, youth in higher education, urban people, criminals in jail, politicians, administrators, social workers, NGOs, farmers, adivasis...)

The fundamental work of policy, developing guidelines, content and process of HVBE as well as developing teachers, administrations and policy makers has been done extensively across every state of the Nation in Hindi, English and regional Indian languages with encouraging results.

40+ universities in 10 states of India were conducting the UHV foundation course as a core part of their academic curriculum. From 2022 UGC has also started exploring this approach. It is being intensively tested at over 300 CM Rise Schools in Madhya Pradesh through the aegis of Rajya Anand Sansthan, Government of Madhya Pradesh.

UHV are collaborating with educational institutions as well as other well-meaning organizations like

- MP Rajya Anand Sansthan
- MP Department of School Education

Work to be done in each State

- A. Identify people in every District

How can you as a citizen be a part of FRNV?

This is a call to every citizen of this country, who feels proud of being an Indian. If you wish to be part of this movement, there are several ways to do so.

- i. This movement is to rekindle inspiration in the society to draw upon the values ingrained in our culture and heritage. The best contribution to the movement would be to express your solidarity in thought, word, and deed. Spread the word about this movement amongst those closest to you.
- ii. You may endorse the aims and objectives of the movement by joining FRNV as a 'FRIEND of FRNV'. FRNV will update you with its activities and you will find greater opportunities to take part in the movement.
- iii. FRNV has established regional chapters in several important cities of the country. Do contact the local /closest FRNV chapter to discuss what you can do further to aid the movement.

You can become a:

1. Member

Members of FRNV express their solidarity with the FRNV objective and actively engage with the organization in word, action, and deed. They wholeheartedly commit to imbibing our national values and consciously work towards spreading the FRNV initiatives amongst other citizens. They may also send contributions to support the activities of the Foundation. Concessional fee (Associate Membership) is open for academicians / principals / vice principals / professors / teachers / students, etc.

Concessional Corporate Membership is available for Educational Institutions and Hospitals/Clinics, etc.

FRNV membership is open to organizations and individuals from diverse geographical, cultural and professional backgrounds.

2. Volunteer your time

A National Movement on Values Restoration can only be successful if people with a passion for bringing about change come forward to participate in this.

We invite you to participate in this noble cause by doing the following:

- Encourage as many people as you can to demonstrate value-based living.
- Inform people about FRNV. Urge them to join this movement by becoming a Friend of FRNV.
- We all will agree that one way to convey ideas about value inculcation and value-based living is to read about, introspect over and emulate the lives of inspiring role models. We are planning to put together such inspiring biographies of individuals, and stories and anecdotes of value-based living. Volunteer to identify role models and compile biographies. Gather inspiring stories and anecdotes of value-based living.
- Collecting quotes: We are in the process of collecting quotations by eminent leaders, thinkers, scholars, scientists and others from across the years, from across the world, who has spoken about India and its greatness. We would like to host these in our website so that people can be inspired by what is truly our own.

3. Become a Corporate Member

According to the CSR Guidelines laid down by the Government, it is incumbent upon the business that they must be actively engaged in securing ethical standards and good governance. Companies are increasingly engaging in sector-specific or multi-industry initiatives, locally, regionally and/or globally to share their experiences, learn from peers and, in partnership with other stakeholders, contribute to leveling the playing field. FRNV, as an organization is the right platform for companies to demonstrate their commitment to ethical practices and promotion of governance.

FRNV membership is open to organizations and individuals from diverse geographical, cultural and professional backgrounds.

Companies/SMEs/Institutions committed to doing business ethically are encouraged to become member of FRNV. We charge nominal membership fee that is used to carry out our ongoing activities.

4. Make a donation

Such a foundational movement is not possible without firm support from like-minded citizens. Any contributions may please be made through an online mode/RTGS/cheque/DD in favour of “Foundation for Restoration of National Values,” and send it to our office address.

5. Support an event or fundraising activity.

Other ways you can help our cause

FRNV invites Friends and Members of FRNV to volunteer for committees on Value Based Education (VBE), Administrative Reforms, Police reforms and Electoral Reforms.

We also invite articles for our bi-monthly journal “Value Insight”.
