Dear Esteemed Members,

It is my privilege and pleasure to extend to you all a warm and hearty welcome to the 16th Annual General Body (AGM) meeting of FRNV. This year is significant as your organization has completed 16 glorious years since 9th June 2008.

I am happy to inform that two more Chapters i.e. Bhubaneswar (Odisha) and Delhi Chapter have been added to our existing Regional Chapters in Bengaluru (Karnataka), Chennai (Tamil Nadu), Hisar (Haryana) and Kochi (Kerala). It is also gratifying that regional chapters are actively enrolling new members.

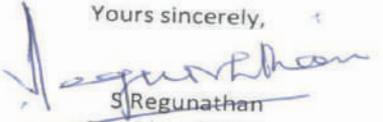

The bi-monthly print journal (**Value Insight**) has been made available to about 700 schools in Delhi as a complimentary copy. Some schools and colleges have subscribed the journal to their library. We expect more such subscriptions from other educational institutions. Regional Chapters have also been trying to encourage sponsors for journal subscription in bulk.

During the year, 4 schools workshops and one Corporate Workshop for Apollo Hospitals was also organized on Medical Values & Ethics.

I would now recommend various resolutions, audited reports and General Secretary's annual report that will be tabled in the AGM for your consideration and acceptance.

Thanking you all,

Yours sincerely,

S. Regunathan
President/FRNV

Our National Values

The solution to the value crisis lies in the inspiration provided by the three stable pillars on which independent India has vouched to rest firmly:

- 1. National Motto; 'Satyameva Jayate';** signifying that 'truth shall prevail', which we chose for ourselves, in the wake of independence.
- 2. National Flag;** that proclaims ceaselessly the message of inner sacrifice, inmost purity, preservation of natural abundance, and vitality of the Earth.
- 3. Fundamental Duties in the Constitution;** enjoining each one of us to value and uphold the composite culture of our country, and to be inspired by the great ideals that led our national struggle for independence. Together, these make an exquisite triangle encompassing all our National values, and FRNV draws its inspiration from this ocean of strength.

Our National Values consist of discipline, restraint, and the ideal to stimulate the consciousness of all, to achieve

- *Eradication of inner constrictions born out of selfishness and greed;*
- *Imbuement of a warm fondness for society and concern for the collective good; and*
- *Building of sufficient inner strength and character, in the individual, family and society as a whole.*

Our Strategy

- I. Influencing the influencers.
- II. As the crisis has its roots in the mind and intelligence, aim at stimulating change at a germinal level.
- III. Not a grassroots level movement.
- IV. At the same some grassroots-level activities may be required.
- V. Today youth is playing a key role in the National Scene.

A National Movement on Values Restoration can only be successful if people with a passion for bringing about change come forward to participate in this. We invite you to participate in this noble cause by doing the following:

- Encourage as many people as you can to demonstrate value-based living.
- Inform people about FRNV. Urge them to join this movement by becoming a Friend of FRNV.
- We all will agree that one way to convey ideas about value inculcation and value based living is to read about, introspect over and emulate the lives of inspiring role models. We are planning to put together such inspiring biographies of individuals, and stories and anecdotes of value-based living. Volunteer to identify role models and compile biographies. Gather inspiring stories and anecdotes of value-based living.
- Collecting quotes: We are in the process of collecting quotations by eminent leaders, thinkers, scholars, scientists and others from across the years, from across the world, who has spoken about India and its greatness. We would like to host these in our website so that people can be inspired by what is truly our own.

3. Become a Corporate Member

According to the CSR Guidelines laid down by the Government, it is incumbent upon the business that they must be actively engaged in securing ethical standards and good governance. Companies are increasingly engaging in sector-specific or multi-industry initiatives, locally, regionally and/or globally to share their experiences, learn from peers and, in partnership with other stakeholders, contribute to leveling the playing field. FRNV, as an organization is the right platform for companies to demonstrate their commitment to ethical practices and promotion of governance.

FRNV membership is open to organizations and individuals from diverse geographical, cultural and professional backgrounds.

Companies/SMEs/Institutions committed to doing business ethically are encouraged to become member of FRNV. We charge nominal membership fee that is used to carry out our ongoing activities.
