FRNV Vision

FRNV will strive to restore our time-tested National and cultural values, so that people, individually as well as collectively, find an abiding inner persuasion to be truthful, ethical, patriotic, and committed to wholesome development of the Nation.

Our Aims & Objectives

Dedicated towards creating more ethical value based leadership driven by conviction so that leadership with integrity creates most appropriate conditions in democracy for all around National development.

- Aims at creating ethical leadership in the areas of business, administration, police, politics and value based education.
- Hopes to stimulate awareness among all members of the society, about the importance of the Duties of the Indian citizens, through its actions.
- Restore the National and Cultural Values of the country, so as to enrich and empower the Administration as well as its citizens.
- To institute and propagate, ethical knowledge and disciplines, especially Value-based insights, as applicable to all sections of people without any distinction of gender, caste, creed or religion, with a view to promote and preserve individual, social and universal well-being, development, collective wisdom and peace.
- To imbue on the basis of our common heritage, moral and ethical values and principles, that foster civic sense, concern for others and the environment, in members of all sections of the society without any distinction of gender, caste, creed or religion.
- To work towards the strengthening of ethical standards in the Executive, Judiciary as well as people's bodies and representatives, and all other agencies that interact with citizens, and endeavor to inculcate standards, so as to enhance their ability to understand and serve the needs of society in a way that upholds and fosters the greater good.

Our National Values

The solution to the value crisis lies in the inspiration provided by the three stable pillars on which independent India has vouched to rest firmly:

1. **National Motto; 'Satyameva Jayate';** signifying that 'truth shall prevail', which we chose for ourselves, in the wake of independence.
2. **National Flag;** that proclaims ceaselessly the message of inner sacrifice, inmost purity, preservation of natural abundance, and vitality of the Earth.
3. **Fundamental Duties in the Constitution;** enjoining each one of us to value and uphold the composite culture of our country, and to be inspired by the great ideals that led our national struggle for independence.

Together, these make an exquisite triangle encompassing all our National values, and FRNV draws its inspiration from this ocean of strength.

Our National Values consist of discipline, restraint, and the ideal to stimulate the consciousness of all, to achieve:

- *Eradication of inner constrictions born out of selfishness and greed;*
- *Imbuement of a warm fondness for society and concern for the collective good; and*
- *Building of sufficient inner strength and character, in the individual, family and society as a whole.*

Our Strategy

- i. Influence the influencers.
- ii. Aim at stimulating change at a germinal level, as the crisis has its roots in the mind and intelligence.
- iii. Realize it is not a grassroots level movement.
- iv. At the same time, some grassroots-level activities may be required.
- iv. Harness the power of Youth to enable them to play a key role on the National Scene.

Our Focus Areas

Towards creating a Value-based Society, FRNV focuses on the following areas:

1. Values-Based Education:

India has made tremendous progress in ensuring universal access and enrolment in elementary education; however, improvements in school access and enrolment do not ensure that our traditional values which they need to imbibe are inculcated. The desire to achieve economic success triumphs over the social responsibilities these students must possess as model citizens. These result in selfish behavior and greed for money. To overcome these infirmities and inculcate traditional and national values, we are working with various stakeholders, encouraging them to establish a 'culture' of value orientation, in the schools, which could be nurtured and sustained over time.

The main focus of this project is to implement FRNV's Values-based education methodology across schools in our country. FRNV's mission is to become known as an 'Opinion Leader' in the area of Values-based education in the country. We have started a pilot project in three Govt. and one Govt. aided schools in Delhi. Besides working with the schools, we are also working with adjoining communities to promote values.

A survey in Ernakulam District revealed that schools run by Bharatiya Vidya Bhawan, Chinmaya Mission, and Christian Institutions have some form of value education, but no moral education is being imparted in Govt. and aided schools. FRNV has realized that there is a need to develop the value education teachers' curriculum from classes 1 to 12 that can be implemented nationwide. In the process, FRNV constituted an expert committee to develop the curriculum. The expert committee had series of workshops and decided that we should develop Value Education Teachers' Manual with primary classes. It was suggested that teachers' Handbook should be developed which is comprehensive so teachers can implement it without any additional training or resources. It was also decided that the curriculum should be activity-based and a list of doable activities will be developed for the Teachers' Manual. The curriculum for primary classes has been divided into two parts; one for grade 1-3; and second for grade 4-5. Further, the curriculum for secondary is also divided into two parts, i.e., for grade 6-8 and grade 9-12.

2. Electoral and Administrative Reforms:

FRNV advocates for preventing criminals from contesting elections and against the use of money power in elections. In addition, we shall work to include legislative backing to implement code of conduct during elections and speedy disposal of poll petitions by empowering the election commission.

- Develop a code of ethics for Ministers/MPs/MLAs/other elected representatives.
- Provide a platform to elected representatives who would like to respond to that segment of citizens interested in tangible evidence of their integrity and delivery.
- Prosecution for acts of criminal nature committed within legislature/Parliament.
- Speedy implementation of justice across courts in the country.
- Improve transparency in the administration.

FRNV has approached the Supreme Court from time to time to take up burning issues of National importance on behalf of citizens of India and has submitted PILs:

a. Writ Petition no. 823/13 on “Disaster Management”

Writ Petition no. 823/13 on “Disaster Management” has been filed on September 24, 2015. This PIL was filed by FRNV in the aftermath of the tragedy at Uttarakhand in June 2013. The writ Petition relates to the lack of disaster preparedness in India, and severe shortcomings in disaster management techniques, and the structure under the National Disaster Management Act, including the poor functioning of the National and States Disaster Management Authorities.

b. Writ Petition (c) no. 678/15 on “Parliament Stalling”

A PIL seeking guidelines from the Supreme Court was filed in August 2015 regarding the stalling and disruption of the Parliament which has led to the adverse effect on the National exchequer.

c. Writ Petition (c) no. 302/12 on “Wasteful Advertisement”

A Writ Petition on “Wasteful Advertisements” was also filed by FRNV and was decided positively by the Supreme Court on May 13, 2015.

d. PIL on Kerala Floods

FRNV filed a PIL in the High Court of Kerala on 25th January 2019 which was admitted by the Chief Justice Bench on 29th Jan., 2019 and the Court has issued a notice to Kerala Govt. and concerned authorities. The PIL has brought out that the floods and deluges that took place in part of Kerala in August 2018 was a man made disaster and had pleaded for a high level technical committee to be appointed for unraveling the reasons for this tragedy so that similar disasters do not get repeated in the State and in the country also.

3. Police Reforms:

Police projects such as Police Complaints Authority (PCA) and Police Pacts are dependent on values such as compassion and self-restraint, advocating for PCA to enable police to understand that victims of crime have to be viewed compassionately.

The main focus of this project is the implementation of Supreme Court directives to the central and state governments on Police Reform in the famous Prakash Singh vs. Union of India (2006) case. The apex court instructed both the governments to comply with a set of seven directives laying down clearly practical mechanisms to kick start police reform.

These directives seek to achieve two main objectives: Functional Autonomy for the Police, and Enhanced Police Accountability.

- In 2012, FRNV together with Common Cause and Common Wealth Human Rights Initiatives (CHRI) formulated a model, Delhi Police Bill, Proposing amendments to the Delhi Police Act, 1978.
- Kerala Chapter of FRNV played a critical role in formulating the recommendations to the Kerala Police Bill 2010.

4. Sanitation and Hygiene:

FRNV advocates on waste segregation, solid-waste management and educating citizens about civic sense.

FRNV Kochi chapter is working intensely on eradication of mosquito nuisance and addressing the problem of water logging.

5. Corporate Engagements for Ethics & Governance:

At the Foundation for Restoration of National Values, we believe that corporate integrity is important to attain sustainable development. We seek to stimulate the inner consciousness of corporate leaders and strive to maintain a high level of transparency within the organizations.

FRNV could be a standard setting organization for bringing together those companies that conduct business ethically. We could set certain criteria to bring together those companies which clearly articulate and demonstrate high-level strategic commitment to ethical business.

Our esteemed corporate members include AFCONS Infrastructure Ltd, GMR Group, Oil and Natural Gas Corporation Ltd., Lucknow Metro Rail Corporation Ltd., Delhi Metro Rail Corporation Ltd., Mumbai Metro Rail Corporation Ltd., Tata Sons Ltd., NTPC Ltd., Cochin Shipyard, M/s. RBG Enterprises Pvt. Ltd, M/s. Krishna Sales Corporation.

We have reached out to two of our corporate members seeking their interest and availability in organizing this workshop for their senior business leaders.

Our Regional Chapters

FRNV does not restrict itself within the region of Delhi and aims at expanding its motives to all parts of the country. The efficient functioning of the regional chapters will ensure effective implementation of police reforms in the different states as per Supreme Court directives, implementation of value-based education in the different tiers of education across all states of the country and to implement electoral and administrative reforms across the nation in an attempt to prevent value erosion and eradicate corruption.

Foundation for Restoration of National Values has three Regional Chapters:

1. Two Kerala Chapters- Trivandrum & Kochi

Kerala chapter is headed by Dr M. Ayyappan. They are doing extensive work on Sanitation/Hygiene and training Corporate houses on conducting business with ethics.

FRNV launched its sub-centre at Kochi in a meeting held on 26th August 2017. Dr. Devika Menon was nominated by the President as Convener for the Kochi Chapter of FRNV.

2. Karnataka Chapter- Bangalore

Karnataka Chapter is headed by Sri V. Vishwanath. The chapter was launched on August 13, 2016, at Bengaluru. This chapter has been working in the following areas: Values-based Education, Corporate Integrity and Police Reforms.

Organizational Structure

The Governing Body of FRNV is Management Committee. This body will consist of a minimum of five and a maximum of fifteen members including the office bearers for the purpose of “overall supervision over the activities of the Foundation”. It shall be empowered to pass any resolution or amendment for the promotion of the objects of the said society.

Value Education: New Strategy

Journey so far

Values Education is a key focus area of FRNV. We have developed National Values-Based Education System [NVBES] and have already completed pilot VBES project with four schools in Delhi with Directorate of Education permission comprising of:

- Teachers' Workshops to motivate and inspire teachers to promote and imbibe values in their teaching.
- Children's Activities to promote values with the help of narrating Stories, Role Play, Case Studies, and Games.
- Community-based Activities to have a continuous engagement with the community of school children, as well as their parents and teachers, so that there is a collective ownership of the values where every stakeholder participates in upholding those values.

We also conducted a survey and have submitted a letter to the Education Minister along with survey report on our findings and recommendations.

The National Policy on Education [NPE] (1986) expressed concern over “the erosion of essential values and an increasing cynicism in society”. It advocated turning education into a “forceful tool for the cultivation of social and moral values.” Education should “foster universal and eternal values, oriented towards the unity and integration of our people”. We submitted our recommendations to the NPE 2016 Committee headed by Dr. K. Kasturirangan. One of the recommendations was to create a Permanent National Commission for Education and Global Citizenship in the Ministry of HRD that would ensure that the education imparted in our schools and colleges are suitably preparing our children and youth for a rapidly changing, inter-connected world, and a complex, uncertain future.

FRNV is delighted to mention here that the new NPE committee has acknowledged our recommendation in the draft new NEP 2019 and has made a recommendation on creating National Commission for Education in the country.

The National Commission for Education and Global Citizenship may be framed on the same lines as the NITI Aayog and will continuously monitor the state of the education imparted within the country, and provide suitable inputs and ideas continuously, so that the nation can keep pace with the rapidly changing requirements of the development of our citizens. The Commission will not only make its recommendations but will also be accountable for the implementation of its recommendations.

FRNV has again submitted its feedback on the draft NEP 2019 and made its recommendation to MHRD to bring an amendment in the Right to Education Act by making Value Education an integral part of the RTE act.

Genesis of New Strategy

India has made tremendous progress in ensuring universal access and enrolment in elementary education; however, improvements in school access and enrolment do not ensure that our traditional values are also inculcating among our youngsters that they need to imbibe and embalm within them. But in fact, we are so engrossed in the global competition that we seem to forget our National Values. Consequently, there is a marked decline in the character, moral values and general behaviour of students coming out of schools and colleges. The desire to achieve economic success triumphs the social responsibilities these students must enact, causing ill traits of selfish behavior coupled with the greed for money that these students portray in the name of struggling for success.

It is essential that teachers understand the rationale for Value-based Education, and are adequately prepared for delivering it in the school and classroom. This must include equipping them with relevant

pedagogical skills.

Therefore, SCERT needs to be actively engaged to modify the teacher training curriculum and integrate values in DIET curriculum.

FRNV had approached Govt. of Karnataka & Kerala for the implementation of Value Education. A survey in Ernakulam District revealed that schools run by Bharatiya Vidya Bhawan, Chinmaya Mission, and Christian Institutions have some form of value education, but no moral education is being imparted in Govt. and aided schools.

It must be emphasized that our national values must infuse the whole curriculum and activities in the school. In class room teacher should use biographies, debates, discussions, stories, essays, article writing, newspaper reading, and small classroom incidences to make the students aware of the importance of values. This approach will give them a chance to apply the concepts and experiences they have already learned. Therefore, there is an urgent need to re-introduce values-based education dealing specifically with human values, to redesign the fabric of our educational system.

Consequently, FRNV setup an expert committee of eminent educationists under the guidance of Smt. Vibha Parthasarathi to review existing 'Value Education Syllabus' for adoption by State Govt. Schools in various states across our Nation. The expert committee comprises of experts from the education sector which includes Dr. Daya Pant, Retd. Professor, NCERT; Dr. Prabhjot Kulkarni, Retired Prof. Delhi University; Dr. Garima Bharti, Principal, DUSC Secondary School, Maurice Nagar, University Enclave; Ms. Simmi Mahajan, Head- Primary Section; Ms. Ruchita Singh; Ms. Parul Davar, Designer; Dr. Thelma Talloo, Retired Professor Delhi University; Mr. Jay Talloo, Retired Bank Officer.

We visited CBSE and reviewed their Value Education Kit including Teachers Handbook and Students kits.

- We also met with NCERT and reviewed their 'Education for Values in School- A Framework'.
- FRNV, Karnataka Chapter arranged for 'Value education and life skills text books followed by ICSE schools Inspirations For Life -Value Education.
- 'Happiness curriculum' being implemented by Delhi Govt.
- 'Awakened Citizen Programs for Class 8 and 9' developed by RK Mission and 'Illumine Knowledge Resources'.
- 'Culture Course' by Bhartiya Vidya Bhawan- Mahalakshmi Temple Trust Series for Class II to VIII.

The guiding principles of VE curriculum development is that values should be an integral part of education system and dissociated with religion, caste, creed. The national eternal values should be based on National Motto, National Flag & Constitution.

National Motto–*Satyamev Jayate* which teaches Truthfulness; Honesty; Justice; and Equality.

National Flag stands for *Courage; Sacrifice; Love for MotherLand; Religious and social harmony; Purity; Cleanliness – Swachh Bharat; Respect for nature and protection of environment; Fertility, Growth, Auspicious; Success by Doing Your Best; Happiness; Ahimsa; Dharmik Values; Love; Respect for parents, teachers and elders; Patience; Virtue of sharing wealth; Goodness; Faithfulness; Self-Control; Self-Sacrifice; Kindness; Gracefulness; Virtue of forgiveness; Concern for the less privileged; Measures for Good Health Habits; and Fundamental duties enshrined in Constitution – Nationalism.*

FRNV has developed the first draft of the Teachers' Manual for classes 1 -3. This manual has been circulated among the experts/teachers/academicians and members of the Expert Committee for review and their feedback.

The first draft of the Teachers' Manual for classes 4 -5 is also ready for review and feedback.

FRNV – 10TH Foundation Day Celebration

FRNV celebrated its 10th Foundation day on June 6, 2018 at Metro Bhawan, New Delhi. The theme for the event was “Values-Based Education” which was inaugurated by the then Union HRD Minister Shri Prakash Javadekar. A souvenir on the importance of Values-based Education was also released by him.

He appreciated that the emphasis of the foundation is on Values Education, which he cited as an essential ingredient of nation building. Giving examples from his own life, he emphasized that mere education does not make people value driven. Instead, education has to enable the internalization of values in all, so that

people can think, behave and interact as effective citizen who demonstrate a positive national building orientation. He further added that his ministry would not only be happy to support the efforts of FRNV but to partner with the organisation to take forward the nationally important agenda.

FRNV Kochi Chapter

In regard to the dilution of standards in technical education, FRNV has filed a Public Interest Litigation (PIL) in the High Court of Kerala which has been admitted.

FRNV convened a meeting of about 100 Principals to improve the academic atmosphere in schools and colleges during the annual conference of the Council of Principals of Colleges in Kerala held at Kuttikanam on 2nd May 2018.

FRNV drew up a plan to eliminate frequent water logging during monsoon in prime areas of Kochi City and submitted to Kochi Corporation for the area between Bharat Tourist Home and High Court – about 1.5 sq. km. Further, FRNV has taken up desilting and clearing of Mullassery canal which hold the key for drainage of this area with the help of Delhi Metro Rail Corporation and Cochin Shipyard. FRNV has also finished the installation of high capacity pumping arrangement to pump out water from this canal during high tide when normal flow to the back water is not possible and handed over back to the Kochi Corporation in August 2018.

FRNV has taken up, with the assistance and support of Kochi Corporation, a massive awareness programme to deal with mosquito menace, in which pamphlets in English are being distributed to houses, residents association, commercial units, shops, hotels, hospitals, etc. requesting them to implement various steps indicated in the pamphlets. This program was launched at a press conference by the President of FRNV in the presence of Mayor of Kochi Corporation on 11th May 2018.

FRNV has taken a slew of important steps to improve the quality of life in Kochi and to improve the standard of education in Kerala State.

FRNV has launched its first Students Chapter at School of Engineering at Cochin University of Science & Technology (CUSAT) on 09AUG19. FRNV is now working on creating more awareness to other colleges on this matter and hope to have more institutions join hands with us in future.

We are hugely grateful to all those who have worked with us both past and present, both as members or sponsors, or through contributing to our events. The target that FRNV achieved this year sounds quite stupendous. This could be made possible only because it got significant support from a wide range of partners, donors, Corporate members and other organizations.

How can you as a citizen be a part of FRNV?

This is a call to every citizen of this country, who feels proud of being an Indian. If you wish to be part of this movement, there are several ways to do so.

i. This movement is to rekindle inspiration in the society to draw upon the values ingrained in our culture and heritage. The best contribution to the movement would be to express your solidarity in thought, word, and deed. Spread the word about this movement amongst those closest to you.

ii. You may endorse the aims and objectives of the movement by joining FRNV as a 'FRIEND of FRNV'. FRNV will update you with its activities and you will find greater opportunities to take part in the movement.

iii. FRNV has established regional chapters in several important cities of the country. Do contact the local / closest FRNV chapter to discuss what you can do further to aid the movement.

You can become a:

1. Friend of FRNV

"Friends are those who share their interests and concerns, and strive to fulfil timely needs with zeal and integrity. It is such a friendship that helps in accomplishing the needs of society and nation."

- A Friend of FRNV expresses his/her solidarity with the FRNV objectives in word, action, and deed.
- A Friend wholeheartedly commits himself/herself to imbibing our National Values.
- Friend of FRNV is a citizen dedicated to the Value Inculcation movement in our country.
- A Friend will consciously work towards spreading the word about this movement amongst other citizens.
- Such a Foundational Movement is not possible without the firm support of like-minded citizens. A Friend of FRNV may also send contributions to support the activities of the Foundation.

2. Become a Member

Members of FRNV express their solidarity with the FRNV objective and actively engage with the organisation in word, action, and deed. They wholeheartedly commit to imbibing our national values and consciously work towards spreading the FRNV initiatives amongst other citizens. They may also send contributions to support the activities of the Foundation.

FRNV membership is open to organisations and individuals from diverse geographical, cultural and professional backgrounds.

Annual Membership: FRNV engages with volunteers, on an active basis, to further the objectives of the foundation. Any person can become Annual Member by paying Rs. 1,000, subject to approval by at least three members of MC. Membership has to be renewed annually.

Life Membership: Any person/Annual Member/Friend can become a Life Member; subject to approval of at least three members of MC. Life Membership fees is Rs 10,000. All MC members are Life Members.

3. Volunteer your time

A National Movement on Values Restoration can only be successful if people with a passion for bringing about change come forward to participate in this.

We invite you to participate in this noble cause by doing the following:

- o Encourage as many people as you can to demonstrate value-based living.
- o Inform people about FRNV. Urge them to join this movement by becoming a Friend of FRNV.
- o We all will agree that one way to convey ideas about value inculcation and value-based living is to read about, introspect over and emulate the lives of inspiring role models. We are planning to put together such inspiring biographies of individuals, and stories and anecdotes of value-based living. Volunteer to identify role models and compile biographies. Gather inspiring stories and anecdotes of value-based living.
- o Collecting quotes: We are in the process of collecting quotations by eminent leaders, thinkers, scholars, scientists and others from across the years, from across the world, who have spoken about India and its greatness. We would like to host these in our website so that people can be inspired by what is truly our own.

4. Become a Corporate Member

According to the CSR Guidelines laid down by the Government, it is incumbent upon the business that they must be actively engaged in securing ethical standards and good governance. Companies are increasingly engaging in sector-specific or multi-industry initiatives, locally, regionally and/or globally to share their experiences, learn from peers and, in partnership with other stakeholders, contribute to leveling the playing field. FRNV, as an organization is the right platform for companies to demonstrate their commitment to ethical practices and promotion of governance.

Companies/SMEs/Institutions committed to doing business ethically are encouraged to become a member of FRNV. We charge a nominal membership fee that is used to carry out our ongoing activities.

5. Make a donation

Such a foundational movement is not possible without firm support from like-minded citizens. Any contributions may please be made through a cheque/DD in favour of "Foundation for Restoration of National Values," and send it to our office address.

6. Support an event or fundraising activity

Other ways you can help our cause

FRNV invites Friends and Members of FRNV to volunteer for committees on Value Based Education (VBE), Administrative Reforms, Police reforms and Electoral Reforms.
