01.08.2025

Dear Esteemed Members,

It is my privilege and pleasure to extend to you all a warm and hearty welcome to the 17th Annual General Body (AGM) meeting of FRNV. This year is significant as your organization has completed 17 glorious years since 9th June 2008.

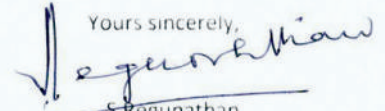

During the year, 6 schools workshops were held in Delhi and Bhubaneswar. National Seminar on Criminality & Candidature – prohibiting criminals from being appointed as Ministers was held on 12th April 2025 at New Delhi. Poojya Swami Bhoomananda Tirtha ji graced the seminar. As advised by Poojya Swami ji, collective efforts are required for bringing reforms and de-criminalize politics. Social media is one of the tools through which FRNV is striving to stir the sentiments of the public for mass awareness.

The bi-monthly print journal (**Value Insight**) is receiving good response. Educational institutions and Corporate organizations are subscribing to the journal. We expect more such subscriptions from other educational institutions. Regional Chapters have also been trying to encourage sponsors for journal subscription in bulk.

I would now recommend various resolutions, audited reports and General Secretary's annual report that will be tabled in the AGM for your consideration and acceptance.

Thanking you all,

Yours sincerely,

S. Regunathan
President/FRNV

Our National Values

The solution to the value crisis lies in the inspiration provided by the three stable pillars on which independent India has vouched to rest firmly:

1. National Motto; 'Satyameva Jayate'; signifying that 'truth shall prevail', which we chose for ourselves, in the wake of independence.

2. National Flag; that proclaims ceaselessly the message of inner sacrifice, inmost purity, preservation of natural abundance, and vitality of the Earth.
3. Fundamental Duties in the Constitution; enjoining each one of us to value and uphold the composite culture of our country, and to be inspired by the great ideals that led our national struggle for independence.

Together, these make an exquisite triangle encompassing all our National values, and FRNV draws its inspiration from this ocean of strength.

Our National Values consist of discipline, restraint, and the ideal to stimulate the consciousness of all, to achieve:

- Eradication of inner constrictions born out of selfishness and greed;
- Imbuement of a warm fondness for society and concern for the collective good; and
- Building of sufficient inner strength and character, in the individual, family and society as a whole.

Our Strategy

- I. Influencing the influencers.
- II. As the crisis has its roots in the mind and intelligence, aim at stimulating change at a germinal level.
- III. Not a grassroots level movement.
- IV. At the same some grassroots-level activities may be required.
- V. Today youth is playing a key role in the National Scene.
